

Roth North America Limited Warranty Roth MultiTank® (RMT)

Product Description:

The Roth MultiTank (RMT) is a blow molded, seamless tank, made out of corrosion proof polyethylene.

Limited Warranty:

Subject to the terms and conditions hereinafter set forth, Roth Global Plastics hereby warrants that the RMT is free of any defect in material. At its discretion and subject to proper installation by a certified installer according to the RMT Installation Manual, Roth Global Plastics, Inc. will warrant the RMT for a duration of five (5) years with the industry first labor insurance coverage.

Compensation:

The labor insurance covers workmanship and product cost including the replacement and excavation of the tank, up to \$2,500.

Duration of Warranty:

This limited warranty is valid for a period of five (5) years beginning of the earlier of (I) the date the RMT was first installed or (II) twelve months from the date of manufacture.

The corrosion protection of each RMT is valid the lifetime of the tank.

Warranty Performance:

Claims under this warranty must be presented promptly and in writing delivered to Roth no later than seven (7) business days after discovery of the defect. A completed copy of the certificate must be attached to the claim notice. Further information on warranty performance can be obtained by calling: 1-866-943-7256.

This warranty expressly excludes damage caused by Acts of God, or RMT's which are intentionally or negligently damaged by installers, homeowners, or any other third party.
